Stakeholder Scoping Meeting**

Dear Ms. Faulkner,

On behalf of the City and County of Honolulu Department of Design and Construction (the City), WCP would like to inform you of the upcoming stakeholder scoping meeting for the Waikiki War Memorial Complex Project EIS.

When: Monday evening, July 21, 2014 from 6:30 to 8:30

Where: Kaimuki High School cafeteria, 2705 Kaimuki Avenue, Honolulu, HI

As a representative of a key stakeholder group, you were recently invited to participate in a one-on-one interview with Dr. Peter Adler to identify issues/questions that you feel should be addressed in the forthcoming EIS. This stakeholder scoping meeting represents the culmination of that effort. The collective findings of Dr. Adler's interviews will be shared, as well as opportunity provided to identify any additional issues/questions to be considered in the EIS.

This City appreciates your continued involvement and input into the EIS process. Should you have any questions regarding this meeting, please contact Celia Shen (380-3851 or cshen@wcp-hawaii.com).

Sincerely,
