# HISTORIC HAWAII FOUNDATION

Protecting the Irreplaceable  
Since 1974

## HAWAII IS UNIQUE

By preserving and nurturing the diverse cultural and historic places and perspectives of Hawai'i, Historic Hawai'i Foundation ensures that the heritage of every historical era remains as a living, useful part of the Hawaiian Islands today. Sacred and cultural sites, communities and buildings that reflect the past and integrate into the present are gifts that past generations gave to us, and that the current generations leave for our keiki and mo'opuna.

### Historic Hawai'i Foundation's primary roles are:

- **PROTECT:** Recognize preservation achievements and respond to threats to sites, buildings, objects and districts of historic significance;
- **EDUCATE:** Build awareness, understanding and public support for historic preservation, and serve as spokesperson for the cause;
- **ADVOCATE:** Support public policies, legislative and regulatory frameworks that provide incentives and regulations for preservation outcomes; and
- **ASSIST:** Provide technical assistance, information services, education and field services for applied preservation methods.

**Historic Hawai'i Foundation is the only statewide nonprofit organization dedicated to historic preservation.** Its core mission is to preserve and encourage the preservation of historic buildings, objects, communities and cultural sites relating to the history of Hawai'i.
