**The half day seminar combines lecture, local examples, question and answer session and a group activity. The goal is to share knowledge and tools with the public to help them save and preserve historic properties and cultural sites.**

## WHO SHOULD ATTEND?

Community members and professionals who care about preserving the built and cultural sites that tell the stories of Hawai'i's history.

## ATTENDEES WILL LEARN:

- ▶ The definition of historic preservation and how it benefits communities
- ▶ How to identify historic properties
- ▶ The framework of federal, state and local preservation programs
- ▶ Standards and guidelines for the treatment and stewardship of historic properties
- ▶ Tools and resources for historic preservation
