Don your holiday apparel and join us for a festive evening at the historic "Alfred Hocking House," also known as Greystones. Built in 1904, Greystones is considered to be the most commanding example of the Queen Anne style of architecture on O'ahu and the only remaining structure in this style in the Makiki district.

The evening will include docent tours sharing architectural and historical information about the house, grounds and surrounding neighborhood and stories unique to Greystones's history over the decades. A peek into secret cupboards and hidden passageways is sure to please!

**ENJOY JOYOUS SEASONAL DÉCOR AND
LIVE PIANO MUSIC BY PIERRE GRILL**

**HEAVY PŪPŪ, WINE AND SEASONAL
PUNCH WILL BE SERVED**
