

DEMOCRACY BY DESIGN

The Hawaii State Capitol at 50

WHAT IS YOUR RELATIONSHIP TO THE CAPITOL?

WHAT IS YOUR FAVORITE FEATURE / ASPECT?

WHICH PHYSICAL PLANT ISSUES ARE A PRIORITY?

WHAT IS YOUR HOPE/ASPIRATION FOR THE FUTURE OF THE CAPITOL?

- That it becomes a place that the **community is motivated to visit**, to encourage more and healthy civic engagement by the border community.
- That it becomes more accessible through **varied events/evening scheduling** allowing for improved community participation.
- That it continues to be an **enduring symbol** of our State into the future
- That it continues to be **maintained**
- That it continues to be maintained **for the next generations** to use
- That it **inspires** other jurisdictions to promote an egalitarian built environment.
- That it is a **shining star for preservation**. This should be our "best case" example and a goal for other owners.
- That it is in **premier** condition, with great historic integrity.
- That it is made to **look better**.
- That it is well maintained into the future, and that its **history continues to be shared** with Hawaii citizenry.

WHAT IS YOUR HOPE/ASPIRATION FOR THE FUTURE OF THE CAPITOL?

- That it remain **open** to all
- That it remains a **symbolic & functioning** space for generations to come.
- That it will be **restored** and well maintained.
- That it will continue to serve as in **inspiration** for **open government**
- That it will **inspire, protect, and be a place of solace.**
- That **more residents know** the history of the building.
- That some **legislation** gets enacted inside
- That the **architectural integrity and esthetic remain unchanged.**
- That the **architecture is preserved** as originally designed; that the landscaping and grounds need tremendous improvement, that the **public signage needs to be updated** and maintained better
- That the building receive the maintenance and **respect appropriate for an icon** of Hawaii and what Hawaii is about.
- That the Capitol is again **refurbished** in the next few years and that **offices are redone** and that original features of interest are restored.

WHAT IS YOUR HOPE/ASPIRATION FOR THE FUTURE OF THE CAPITOL?

- That the **historic integrity** will be preserved and maintained while the capitol continues to provide an important **public space and function**.
- The Capitol should reflect and install **new features to bring it into the 21st Century**
- The Hawaii State Capitol is one-of-a-kind. We need to **promote pride** in our State Capitol.
- The recognition that **Hawaiian values** have changed since Statehood.
- The **reflecting pools be kept clean**.
- The **elevators are upgraded** and **faster** but keep the design.
- Remain an interesting place that **reflects the Hawaiian culture** and symbols of our state
- Update the facility to **modern infrastructure** without losing the history of the architecture and design
- Well preserved and adapted to **modern technologies**
