Founded in 1974, Historic Hawai‘i Foundation is a membership-based, statewide non-profit organization that encourages the preservation of historic buildings, sites, objects and districts relating to the history of Hawai‘i.

We help people save Hawai‘i’s historic places.
Haleiwa Main Street (HMS) dba North Shore Chamber of Commerce (NSCOC) was started in 1985 and then became Haleiwa Main Street in 1989. Its purpose is to promote, maintain, and encourage the historic, cultural, civic and economic welfare of the North Shore district through research, education, advocacy, and other related activities.

The Chamber serves to unite members of the North Shore business, agriculture, manufacturing, and residential communities to work in a spirit of cooperation to address – and solve – issues facing its community.

Economic development through historic preservation.
SHPD serves to protect and preserve historic properties significant to Hawai‘i’s history through several program areas. These program areas include: Review and Compliance under Hawaii Revised Statutes (HRS) 6E and National Historic Preservation Act (NHPA) Section 106, Burial Regulation, Hawaii and National Register, Certified Local Government, and Outreach.

SHPD is organized into four branches to manage these program areas:
- Administration
- Archaeology
- History and Culture
- Architecture

SHPD strives to ensure that negative impacts to historic properties are avoided or lessened so that future generations may also enjoy and appreciate historically significant districts, sites, objects, structures, and buildings.
The Real Property Assessment Division administers provisions of Chapter 8, Revised Ordinances of Honolulu, relating to the assessment of real property for tax purposes. It ensures real property assessment values are fair and equitable, based on market value and in accordance to applicable standards and laws.
