## PRESIDENT'S MESSAGE

*Aloha.* Historians will see 2022 as a time of great transition. Although the global pandemic continued to influence our planning and programming decisions at the beginning of the year, thankfully it gradually eased enough to allow a slow, but welcome, resumption of normal gathering and public engagement. Historic Hawai'i Foundation took a cautious approach, continuing our virtual and livestream programming throughout the year, which retained the benefit of reaching members across the state and on the mainland. We also brought back in-person gatherings that were well received and attended.

We were excited to hold our annual fundraising benefit for the first time in three years, moving the gala to the month of May and employing public health precautions to help protect our guests. Connie Lau was the ideal 2022 Kama'āina of the Year honoree as we celebrated not only her achievements as a community leader but also the opportunity to reconnect with our preservation 'ohana.

The Preservation Honor Awards, which had been livestreamed the prior two years, also resumed as an in-person celebration of preservation achievements. The occasion brought together those doing the visionary work of preserving special places all across the Islands.

The events of the year highlighted the importance of a stable and resilient organization with the ability to adapt to ever-changing conditions and challenges. We are appreciative of the trustees, committee members, volunteers, partners, and sponsors who stayed engaged and energetic during that difficult time for our entire community.

We are grateful to be moving forward as a stronger organization with the support of all those who care for Hawai'i and its historic places.

With aloha,

Wendie McAllaster  
*President, Board of Trustees*

## EXECUTIVE DIRECTOR'S MESSAGE

*Aloha kākou.* Historic Hawai'i Foundation reached several important milestones in 2022. A major achievement was the successful campaign to establish the O'ahu Historic Preservation Commission. The City & County of Honolulu was the last local government to pursue a county-level preservation program. While the City Council provided enabling authority 30 years ago, the Commission was never established. Over the past two years, HHF served on a working group, researched and drafted legislative language and supported the introduction of the bill. We also provided technical analysis and public promotion, resulting in the unanimous approval by the City Council and the support of the mayor and his key officials.

Another significant achievement included developing an educational module for Realtors on buying, selling and owning historic homes. Our working group of Realtors who are also HHF members worked to develop a landing page of frequently asked questions and resources, designed a brochure for use by realtors and clients, and developed an educational video and panel discussion for the annual conference and on-demand viewing.

We successfully implemented the first year of the Native Hawaiian Organization (NHO) Stewardship Program, which is a five-year initiative between HHF and the U.S. Department of the Interior to build capacity of NHOs towards historic preservation and stewardship with the goal of ensuring that their traditional cultural stories and places are being documented, preserved and shared in an appropriate manner with visitors and residents.

These and other achievements are summarized in the 2022 Year in Review by the strategic programmatic areas of Educate, Advocate, Assist, Protect and Sustain. We are very appreciative of the many supporters who make this work possible, through donations of time, expertise, funds and encouragement. Mahalo to all who help save Hawai'i's historic places.

With Aloha

*Kiersten Faulker*

## WASHINGTON PLACE 175TH ANNIVERSARY COMMEMORATION

The commemoration of the 175th Anniversary of Washington Place was an eight-month celebration hosted by the Office of the Governor and First Lady Dawn Ama-no-Ige. Dynamic and multi-faceted, the program included a proclamation by the Governor, a livestreamed hula performance by fourth grade students across the islands, a special exhibition on Queen Lili'uokalani, a commemorative booklet, a televised documentary, and several educational experiences. HHF served on the steering committee and hosted the Experts lecture series.

### EXPERTS LECTURE SERIES: RESIDENCES OF QUEEN LILI'UOKALANI

In collaboration with the 175th Anniversary of the construction of Washington Place, the 2022 Experts Lecture Series held weekly in February and March explored six residences that were significant to the life of Queen Lili'uokalani. The series was co-sponsored by the Historic Preservation Graduate Certificate Program, American Studies Department, University of Hawai'i at Mānoa.

### HONOKA'A STORY MAP

The Honoka'a Story Map was the fourth in the HHF series of self-guided, historic walking tours utilizing a digital online platform. The Honoka'a Story Map includes 52 sites and provides information on the history, archaeology, architecture and cultural properties of Honoka'a and the surrounding area. The project was a collaboration between Historic Hawai'i Foundation, Cultural Surveys Hawai'i, University of Hawai'i at Hilo's History Department, Honoka'a Heritage Center and Historic Honoka'a Town Project.

### REALTOR EDUCATION PROGRAM

HHF developed a new brochure and landing page with an overview about buying, selling and owning a historic home in Hawai'i. The materials address frequently asked questions related to owning and registering historic

properties including benefits, responsibilities and misconceptions. Mahalo to the working group of HHF members Sharon Au, Liz Bills, Gavin Hall, Dawn Marie and Doug Shanefield and to Honolulu Board of Realtors for their time, expertise and generous sponsorship.

### STUDENTS AND LIFELONG LEARNERS

HHF's internship program supported six students and special projects, including a graduate student through the University of Hawai'i – Mānoa Community Design Center who worked on the emergency plan for the Charlot House; three interns through the University of Hawai'i – Hilo History Department who worked on the Honoka'a Story Map; one Summer Scholar Intern who worked in the HHF office on the overall educational programs and Honor Awards; and a self-directed study student who continued her work for a healing garden and historic signage project at Ho'ōla Na Pua's Pearl Haven.

## ADVOCATE

*Support public policies, legislative and regulatory frameworks that provide incentives and regulations for preservation outcomes.*

### STATE LEGISLATURE

During the 2022 legislative session, HHF submitted written testimony 40 times on 25 measures. Most of the bills addressed roles, responsibilities and funding related to the historic preservation review process. HHF supported additional staff and funding for the State Historic Preservation Division (SHPD); supported additional funding for historic properties including Iolani Palace, Bishop Museum and the State Archives; supported increased penalties and fees for destruction of historic sites; offered technical review comments on issues related to delegation of authority, definitions of historic properties and public involvement. HHF opposed several bills that would weaken the preservation infrastructure and system.

### STATE HISTORIC PRESERVATION DIVISION ADMINISTRATIVE RULES AMENDMENT

In prior years, Governor David Y. Ige established a working group to review the SHPD Administrative Rules that provide the procedures and standards for assessing the potential effect of development projects on historic properties. Governor Ige appointed HHF Executive Director Kiersten Faulkner as a member of the working group. The working group met throughout 2021 and the first half of 2022, producing working drafts of revised Administrative Rules. However, the State did not finalize the drafts in time for public hearings or formal adoption before the gubernatorial election and installation of a new administration. The project was placed on hold until the new administration sets its priorities and goals.

## O'AHU HISTORIC PRESERVATION COMMISSION

The Honolulu City Council approved Bill 44 related to the O'ahu Historic Preservation Commission. Mayor Rick Blangiardi allowed Bill 44 to become law without his signature on November 23. The City's corporation counsel had concerns about the commission being established by ordinance rather than in the charter and cautioned that it might not withstand judicial review. To address this issue, Mayor Blangiardi decided to establish the O'ahu Historic Preservation Commission under his executive reorganization power pursuant to Honolulu City Charter Section 4-202. Upon approval of the Mayor's propos-

al to establish the Commission, which can occur by approval by the City Council or passage of 60 days of the Mayor's submission, the underlying ordinance 93-55 (ROH §3-10.2) and Bill 44 (2022) became valid. HHF was a strong supporter for the legislation and served on the working group that provided technical analysis, input on the drafts, testimony and public advocacy.

## CITY AND COUNTY OF HONOLULU HISTORIC PROPERTY TAX EXEMPTION

The Honolulu Tax Commission proposed to raise taxes on historic properties by rescinding the exemptions for historic properties dedicated for preservation. HHF provided public outreach, advocacy alerts, education and testimony to City Council. The measure was deferred and did not move forward during the year.

“

*Our strong support for the preservation of historic places and protection of cultural and archaeological sites has never wavered, and we're standing up the O'ahu Historic Preservation Commission as a clear demonstration of that support.”*

— Mayor Rick Blangiardi

## ASSIST

*Provide technical assistance, information services and field services for applied preservation methods.*

### FIELD SERVICES AND TECHNICAL ASSISTANCE

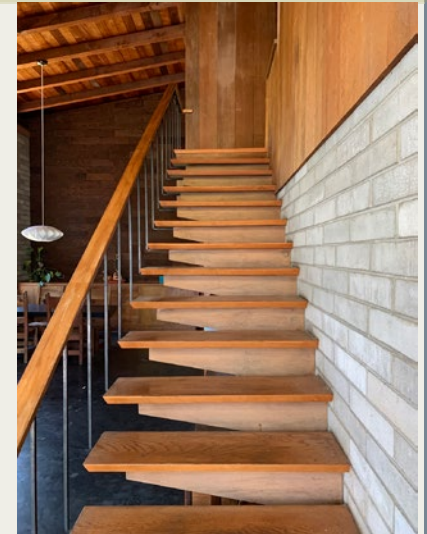

HHF provides technical assistance, including consultation and comment on plans, project, participating in public meeting and hearings, submitting official testimony and response to inquiries from the public. In 2022, the Preservation Resource Center logged 676 interventions for the year, a 6% increase over 2021.

### PRESERVATION EASEMENTS

HHF managed its portfolio of significant buildings protected in perpetuity by preservation easements. The program includes three properties: Dearborn Building (Kaka'ako, O'ahu); Jean & Zohmah Charlot House (Kāhala, O'ahu); and Fred C. Baldwin Memorial Home (Makawao, Maui).

While the annual site visits to the Baldwin Memorial Home and the Dearborn Building were postponed due to the pandemic, there were significant developments related to the Charlot House.

Early in the year, HHF completed the project with the University of Hawai'i Community Design Center to develop

an emergency management plan for the Charlot House to address potential flooding and adaptation to protect against storms and sea level change. The Project included research, evaluation and developing treatment recommendations, plans and specifications for methods to protect the property from floods, hurricane, tsunami and storms in a manner that preserves the character-defining historic features.

However, after more than two decades of owning the historic Charlot House in Kāhala, the University of Hawai‘i decided to return the donated property to the original family. In a letter to HHF in July 2022, the University’s Director of the Office of Strategic Development and Partnership said that UH Board of Regents reviewed and approved the return of the donated real estate in June 2022.

The easement survives the ownership change and runs with the deed. The easement stipulates use, maintenance, and treatment of the historically-significant building and grounds. HHF has held several discussions with the new owners about the terms of the easement, the needs for the property and continuing a productive relationship going forward. The Charlot family has affirmed its primary objectives to restore and preserve the property to celebrate the art, architecture and culture embodied at the site.

## FINANCIAL INFORMATION 2022

Financial information was obtained from audited financial statements

## SUSTAIN

*Provide a financially stable, resilient and well-governed organization for long-term viability.*

### COVID-19 PANDEMIC

The Covid-19 pandemic continued at the beginning of the year, with gradual relief from gathering restrictions and eventual resumption of in-person gathering. HHF developed a hybrid model with some staff continuing to work remotely and others alternating between office and remote work. Major in-person events resumed with the Kama'āina of the Year™ and Preservation Honor Awards events, but most business meetings, public educational events and other programs were held online.

### 2022 KAMA'ĀINA OF THE YEAR™ BENEFIT

Over 270 guests gathered on Saturday, May 14, 2022 at The Royal Hawaiian Resort and joined Historic Hawai'i Foundation in honoring Constance H. Lau as the 2022 Kama'āina of the Year™.

Clear skies and pleasant tradewinds helped create an ideal setting, and at nightfall, a shining full moon cast a breathtaking view of the Waikīkī shoreline and Lē'ahi. Hawaiian music trio 'Āpuakea provided wonderful ambiance as guests arrived at the Ocean Lawn; there was a sense of excitement and joy as we gathered in person for the first time in two years.

Lau, who recently retired as president and CEO of Hawaiian Electric Industries (HEI) after a 37-year career, was recognized for her strong sense of connection to the land and communities of Hawai'i which characterized her leadership at HEI and its subsidiaries.

### NEW GRANTS & PROGRAM SUPPORT

Foundations and philanthropists provide funds that were restricted for program support. New grants were received during the year to support the educational programming, develop new Story Maps, provide stipends for internships, develop information materials and videos, advance specific programs related to the NHO Stewardship Training, and provide hands-on rehabilitation and restoration projects.

## LEGACY GIVING

HHF continued efforts to encourage planned gifts, either for the 50th Anniversary Endowment Fund or other applications. In 2022, we received a further bequest from the estate of longtime member Frances McClurkin.

## 48TH ANNUAL MEETING & ELECTIONS

Historic Hawai'i Foundation held its Annual Membership Meeting on August 31 as a virtual, online meeting.

HHF Members elected new trustees Donne Dawson, Vincent Shigekuni and Katie Stephens. The members elected renewing trustees Rosemary Fazio, Hallett Hammatt, Len Isotoff and Kekoa Kaluhiwa. Wendie McAllaster was elected President.
