Limited to 24 participants.
Application required.

Apply at: [HistoricHawaii.org](https://www.HistoricHawaii.org)

*Meals and on-site lodging on Sept. 8 included in registration fee.

Are you a carpenter, carpenter apprentice or other trades person, repair or maintenance staff at a state park or historic site or handyman interested in learning new skills? Then this workshop is for you!

Broaden your skill set, view on-site demonstrations and practice hands-on techniques for assessment, maintenance and repair at historic Kōke'e Civilian Conservation Corps Camp, Kōke'e State Park on Kaua'i.

PARTICIPANTS WILL RECEIVE:

- Lead-Safe and Site Safety Certification
- Introduction to Historic Preservation
- Demonstrations and hands-on practice assessing and repairing historic building elements
- Certificate of Completion

DAY 1

Introductory, safety, site tour, documentation and assessment process

DAY 2

Restoration and preservation methods for wooden windows and doors, sash windows, siding, priming and painting, hardware refurbishing, maintenance plans

**THE TRAINING PROVIDES NEW SKILLS DEVELOPMENT FOR CARPENTERS
AND REPAIR AND MAINTENANCE STAFF.**

This project is in part funded by the Department of the Interior's National Park Service, the Atherton Family Foundation and the Historic Preservation Education Foundation.
