

## INTRO TO SKILLED METHODS FOR HISTORIC WINDOW REPAIR WORKSHOP

**DATE:** Friday, September 20, 2024

**TIME:** 8:30am to 4:30pm

**PLACE:** BIA Hawai'i  
94-487 Akoki Street, Waipahu, HI

**COST:** \$50\*  
*Limited to 32 participants.*

*Application required.*

**Apply at: [HistoricHawaii.org](https://www.HistoricHawaii.org) - Deadline to apply: 8/30/24**

\*Lunch included in registration fee.

Are you a carpenter, student or apprentice in the construction trades, repair or maintenance staff at a historic site, or handyperson interested in learning new skills or deepening your existing skills?

**Then this workshop is for you!**

Broaden your skill set, view demonstrations and practice hands-on techniques with experts in historic window repair at BIA Hawaii's classroom and workshop space.

### **PARTICIPANTS WILL RECEIVE:**

- Site Safety and OSHA Lead Training
- Introduction to Historic Preservation
- Demonstrations and hands-on practice in wooden window assessment and repair
- Certificate of Completion

### **MORNING**

Safety, historic window components & construction, hardware, tools & materials, documentation and assessment

### **AFTERNOON**

Demonstrations & Practice Pods: glass cutting, re-glazing & putty glazing; ropes & weights repair, hardware; cleaning, preservatives & linseed oil, paint selection; penetrating & filler epoxy repairs

**THE TRAINING PROVIDES NEW SKILLS DEVELOPMENT FOR CARPENTERS, PEOPLE IN THE CONSTRUCTION TRADES & THOSE MAINTAINING HISTORIC SITES**

**PRESENTED BY:**

Supporting Partner

This project is in part funded by the Historic Preservation Education Foundation.
